## PROFILE

Industrial Design student at the University of Cincinnati School of Design, Art, Architecture, and Planning with a strong foundation in visual communication, systems thinking, and process-driven work. Brings experience from fast-paced, customer-facing environments requiring accuracy, efficiency, and accountability. Seeking co-op and internship opportunities to apply design thinking and technical skills in professional settings. Participating in the Professional Practice Program, alternating semesters of classroom study with work in the field of design.

## EDUCATION

**University of Cincinnati**, Cincinnati, OH

Bachelor of Science in Industrial Design, College of Design, Architecture, Art, and Planning

Expected Graduation: 2030

Professional Practice Program participant — alternating academic and full-time, paid co-op rotations

**Elyria Catholic High School**, Elyria, OH

High School Diploma, 2025

## WORK EXPERIENCE

**Blue Falls Car Wash**, Westlake, OH — Summer Employment

Automated vehicle wash facility

Car Wash Associate | March 2024 – August 2024

- Delivered consistent, high-quality customer interactions by guiding guests through automated service systems and purchase options
- Executed daily operational checklists, including equipment inspection, cleaning protocols, and safety procedures
- Maintained professional standards across all public-facing areas, reinforcing brand appearance and customer trust
- Operated efficiently in a high-volume environment, adapting quickly to workflow changes and peak demand

**Little River Pet Resort**, Colombia Station, OH — Summer Employment

Dog daycare and boarding facility

Dog Care Associate | March 2025 – August 2025

- Managed daily care routines for multiple animals, balancing attention to detail with time-sensitive tasks
- Observed and assessed animal behavior to proactively prevent safety incidents and ensure controlled environments
- Maintained clean, organized workspaces aligned with health, safety, and sanitation standards
- Collaborated with team members to execute individualized care plans accurately
